

The L2 utilizes a unique, trenchless, reciprocating motion similar to an industrial sewing machine. Unlike other underground installation methods, the precision cutting blade produces a barely visible slit in the ground while simultaneously burying the desired lines.

**Special features:**

Retail Price  
\$12,950

- Powered by a new 23 horsepower Tier II Kohler engine
- Powerful yet fuel-efficient drive train
- Electronic Ignition System
- Gearbox has both high and low range settings
- Installation speeds up to 120 feet per minute
- High transport speeds up to 140 feet per minute
- Low center of gravity and balanced weight enables the operator to easily maneuver the machine
- Distinctive, patented design permits the smallest turning radius - approximately one foot - on the market without any damage to the line being placed
- Unique "Rocking Chair System" permits forward or backward tipping to allow close placement to buildings, pedestals or poles, eliminating costly, time-consuming hand labor
- Compact L2 is a mere 26 inches wide and allows excellent maneuverability in confined areas
- Each rubber track provides 7.5" by 13" of ground contact area for optimum traction and flotation with a minimal ground pressure of 4.2 pounds per square inch
- 1 year limited warranty [excluding tracks, blades and wear items]
- 2 year warranty on Kohler engine

**BORING PACKAGE**

Optional BA2 Boring Attachment enables easy placement of underground lines, PVC and conduit beneath landscaping, sidewalks and driveways without disrupting existing terrain. The simple, quick attachment feature requires no tools, bolts or pins. The BA2 Boring Package includes:

Retail Price  
\$2,500

- 30 feet of bore rods
- 1-1/2" drilling bit
- 1-7/8" carbide rock bit
- Back reaming bit of 1-3/4" can be used to expand the hole while pulling back material including 1-1/2" PVC or conduit under the surface
- Rod guide
- Counterbalance wheel
- Storage box

REEL CARRIER - \$205  
 COUNTER-BALANCE WHEEL - \$225  
 TRANSPORT CARRIER - \$275  
 LOADING RAMPS - \$250
